

# Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, April 10.—Stocks were stirred into a semblance of strength and animation today, mainly in consequence of the absence of disturbing developments over the week end. Advice from Berlin, regarding the Saxony incident, were received as making for further delay in the settlement of the delicate negotiations now pending.

News touching on the market was largely of a local character, emphasizing the annual statements of the Utah and Ohio copper companies, which disclosed enormous increases of earnings over 1914, with a similar exhibit by some of the smaller shipping companies. There was the March report of the United States steel corporation, showing increased orders of 769,035 tons and bringing the total business of the corporation's books up to record figures, 9,231,000 tons. Chicago also reported a twenty per cent gain in railroad tonnage over this period last year.

Marine changes led the list from steel to finish the common sailing tonnage in 2013-14 and the increased 5.8 to 76.14 with a gain of 1.34 for 1914-15.

Copper was steady by trade conditions and zinc issues made further progress. American Zinc rising 1/8 to the new maximum of 97 1/4. U. S. Smelting also established a new high quotation on its rise of three to 75. Mexican shares, reported by American Smelting and petroleum were materially better and the war group, together with motors and U. S. Industrial Alcohol, rose one to three points with eight for Willys Overland at 27. Bethlehem Steel fell and practically alone, but made complete recovery at the firm close. Total sales of stocks amounted to 458,000 shares. Bonds were irregular. The Anglo-French 5's falling to 95 1/4 on offerings of several large blocks. Total sales of bonds, par value, were \$1,470,000. United States bonds unchanged on call.

**METAL EXCHANGE.**  
NEW YORK, April 10.—The metal exchange quotes lead 8.00; spelter East St. Louis firm; spot offering at 19 cents.  
Copper firm; electrolytic nearby 28.00 @ 29.00; June and later, 27.25 @ 28.00.  
Bar silver, 62 1/4.

(By L. J. Overlock)  
BOSTON, April 10.—The Zinc stocks and U. S. Smelter were the features in the local market today. New York was the large buyer. The coppers are commencing to respond to the large sales of copper metal. It was reported that another large sale of copper had taken place. There seems to be steady accumulation of the issues and this is bound to work into the dividend companies. Copper Range was well bought all day and would buy it right here for very much higher prices. The Steel tonnage report was very bullish and caused the general list to strengthen. As soon as the submarine situation is made clearer the market should work to a very much higher level.

**Dandruff Soon Ruins The Hair**

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

## EX-HUERTA GENERAL CROSSES THE BORDER

(Continued From Page One.)  
thoritatively stated, however, that there has been no suggestion from the de facto government as to a "dead line" beyond which the American troops should not go, or as to a date on which they should return. Senator Gallinger, the Republican leader in the Senate, made public tonight a letter from Senator Fall, who has been on the border reporting conditions to the minority senators. Mr. Fall, analyzing the border guard, saying the raid on Columbus was made possible by a wide scattered line and declared that he had been reliably informed that unless the American army was given full control of the Mexican Northwest, the United States would not date of his letter, the expedition would have to be withdrawn. Officials pointed out today that the time was fixed for withdrawal by the Senator's informant, and that Secretary Lansing had formally announced that the railroad question no longer was a factor in the situation. A full report on the Columbus raid has been ordered and will be made as soon as Col. Slocum, who commanded the expedition, returns from Mexico.

As to Senator Fall's statement that he was assured that Villa was not wounded, the State Department announced conflicting rumors on this subject had come from the border, but only today Gen. Funston had reported the receipt of a dispatch saying that Villa had been seriously wounded in the right knee. Navy department dispatches reported conditions quiet at Vera Cruz, Tampico and Suerta, Mexico. The strike of oil laborers at Tampico was reported settled with the arrest of the strike leaders. The strike was called because a Carranza decree requiring the laborers to accept de facto currency as wages. Secretary Baker left Washington tonight for Columbus, Ohio, where he will appear in the state supreme court tomorrow in connection with a civil case. He will visit his family in Cleveland later and will return here late Wednesday. In his absence, Major General Scott, chief of staff, will be acting secretary. There was little news released after he had been examined by secret service agents as to his relations with Salazar. The secret service men also searched his room at the hotel where he was staying but were unable to find anything which would connect him with Carranza's administration. The government agents have since, however, arrested seven more Mexicans, making a total of fifteen, all of whom were taken to the county jail. They were held on suspicion.

## IF BACKACHY OR KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out Kidneys—Drink plenty water.  
Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Bethlehem Steel Co., will pay \$75 a share for 1944 share minority interest of Pennsylvania Steel Co. instead of \$27 originally offered.

## A Fine Aid For Mother-to-be

We are all greatly indebted to those who tell their experiences. And among

the many things which we read about and are of immediate importance to the expectant mother, is a splendid aid, called "Mother's Friend." This is applied over the muscles of the stomach. It is deeply penetrating in its influence. Mothers everywhere tell of its soothing effect, how it allays pain incident to stretching of cords, ligaments and muscles. They tell of restful comfort, of calm, peaceful nights, an absence of those distresses peculiar to the period of expectancy, relief from morning sickness, no more of the nervousness which so many young women's minds become burdened. It is a splendid help. Get a bottle of "Mother's Friend" from your nearest druggist. Ask your husband to get it for you. Then write to Bradfield Regulator Co., 408 Lamar Bldg., Atlanta, Ga., for a free pamphlet and descriptive booklet. It is filled with suggestive ideas of great help to all women interested in the subject of maternity. And best of all are some letters from mothers that are real inspirations. Write today.

Carranza has published decree authorizing Mexican secretary of treasury to purchase paper money of present issue to value of \$1,000,000 gold Mexican. Paper money is to be destroyed.

## FEEL YOUNG!

It's Dr. Edwards' Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, unless you take yourself in hand. Coax the jaded bowels muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics. Dr. Edwards believes in gentleness, persistence and Nature's assistance. Dr. Edwards' Olive Tablets open the bowels; their action is gentle, yet positive. There is never any pain or griping when Dr. Edwards' Olive Tablets are used. Just the kind of treatment old persons should have. Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil, you may give them to your children. Take one or two occasionally and have no trouble with your liver, bowels or stomach. Use one 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

Number of enemy civilians in internment camps in Great Britain is 32,149. Between October, 1915, and the first of April 1916 were released.

**\$100 Reward \$100**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.  
Address: F. J. CHENEY & CO., Toledo, O. Sold in all Druggists. Take Hall's Family Pills for constipation.
